

Express Mail No.: **EL 501639323 US**

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Application of: Palese and Garcia-Sastre

Serial No.: 09/396,539

Group Art Unit: 1636

Filed: September 14, 1999

Examiner: T. McKelvey

For: RECOMBINANT NEGATIVE STRAND
RNA VIRUS EXPRESSION SYSTEM AND
VACCINES

Attorney Docket No.: 7682-048

INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.56 and § 1.97

Accordingly, pursuant to 37 C.F.R. §1.98 (d), copies of 1-70 are not submitted herewith.

References 71-75 are submitted herewith.

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." Instead, Applicants submit herewith a "revised form PTO 1449" entitled "References Cited" instead of "List of Prior Art Cited." Applicants respectfully request that the Examiner consider the references and make them of record in the file of the above-captioned application.

Submission of this Information Disclosure Statement is after the mailing date of the first Office Action on the merits, therefore, pursuant to 37 C.F.R. § 1.97(c), an estimated fee of \$180 is due for the filing of this Disclosure. Please charge the required fee, including any deficiencies in the amount estimated to be due, to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,

by: *Jacqueline Benn*
